

B 90 R Adv DOSE

Compact, high productivity ride-on scrubber dryer with advanced features

1 Extremely easy to manoeuvre

- The extra short and sleek design makes this machine extremely agile and easy to manoeuvre – despite the large water capacity.
- 90° steering allows on-the-spot turning.

2 Simple operation

- The basic functions are controlled with the EASY switch.
- Operating hours are displayed.

3 Long operating time

- Large compartment for large battery capacity. Pack models include maintenance-free gel batteries.
- Two turbine power settings - save energy in the WHISPER setting.

4 Quick replacement

- The brush head is easy to replace without tools.
- R-head rollers can be changed in seconds.

B 90 R Adv DOSE

- Adjustable brush contact pressure
- With detergent dosage
- With 2 suction power settings

Technical data

Order Number	1.161-311.0
