

334 SK/6 Rack screwdriver set Kraftform Plus Lasertip and
rack, 6 pieces
Screwdriver set Kraftform Plus

EAN	4013288111418	Dimension:	285x210x55 mm
Code:	05007680001	Weight:	729 g

- Screwdriver for slotted and cross-recess screws, Phillips
- Smooth hard zones for high speed turning, soft grip zones for high torque transfer
- Handle markings simplify finding and sorting of tools
- Hexagonal blade and bolster for higher torque transfer
- Lasertip tips for more secure fit in the screw head

6-piece screwdriver set with Kraftform Plus handle for pleasant, ergonomic working that makes blisters and calluses a thing of the past. Hard gripping zones for high working speeds whereas soft zones ensure high torque transfer. The Lasertip tip literally bites into the head of the screw and thereby prevents any slipping. More torque can be transferred with the help of an open-end or ring spanner applied to the hexagonal blade and the integrated bolster. The hexagonal anti-roll feature prevents any bothersome rolling away at the workplace. Handle markings for simplified finding and sorting of the tools. Including a practical rack for tidy storage of the screwdrivers.
